3000 IMPACT SERIES DOOR LINE

The 3000 Impact Entrance Series manufactured by Arch Aluminum & Glass were designed and tested in accordance with Miami-Dade Impact Codes & 2004 Florida Building Code. The Entrances are a complete design & tested System, consisting of extruded aluminum, laminated glass, approved hardware, silicone, gasket & perimeter anchoring. This "Entrance System" is a Medium Stile Door with 3 1/2" Stiles, optional top & bottom rails (3 1/2", 5", 7 1/2" & 10"), Hinging (Offset Pivots, Butts & Continuous hinges), Locking Hardware (M.S. Deadlock & 3 Point Locking), Panics (Jackson, Adams-Rite, Dor-O-Matic & Von-Duprin), and glazed with 7/16" laminated glass. Door sizes are available for single from 36" or 42" x 96" and pairs 72" x 96" with our IFG5000, 3000 & 3100 Door Framing. When designing or installing your Impact project, make sure you check our Product Approval for the correct sizes and design pressure required to meet the codes in your area. The system is available in Clear & Dark Bronze Anodized, Environmentally friendly Archkote Powder Coating (1000, 6000 & 10K) and custom finishes.
